MEDIA RELEASE – AIR LEAGUE AND AIRCRAFT MODEL SHOW – CATALINA VH-CAT OPEN FOR INSPECTION AT BANKSTOWN.

The Bankstown Airport passenger terminal building will host the Australian Air League and Aircraft Model Show over the weekend of the 9th & 10th May 2009. As part of this event, the Catalina Flying Memorial Ltd plans to taxi its Catalina VH-CAT from its present tie-down position a short distance away to a place on the tarmac immediately adjacent to the terminal building, allowing access to visitors.

In exchange for a (tax deductible) donation of \$20, visitors will be invited to climb aboard and sit in the pilot's seat. The Catalina Flying Memorial Ltd will also be selling copies of those excellent books by Bob Cleworth, "*Cats at War*" and "*The Fabulous Catalina*", as well as some DVDs.

All donations received will help fund the work required to obtain an Australian Certificate of Airworthiness for VH-CAT. The achievement of this key milestone will mark a significant contribution to the return of the Catalina to Australian skies and seas.
